

1986 Index

An annual index to articles appearing in *American Horticulturist* magazine is printed in each December issue. A separate cumulative index has also been published for the years 1922-1971 and is available in paperback for \$10. Address inquiries to Robin Williams in care of the Society. Although no index for the years 1972-86 has yet been published, these back issues have been catalogued by the editorial staff. Back issues (if available) are \$2.50 each and may be obtained by writing to Norma Westwood in care of the Society.
